

Greggs 2021 Pledge

This is a UK wide pledge

This commitment will be implemented
by 2023

1

Quick service, Food-on-the-go businesses, casual dining restaurants, workplace canteens and public sector food settings commit to increase the volume of veg they sell, aiming for two portions in every main meal while maintaining commitments to reduce waste (inspiration can be found in our

This aligns with point 4 on the Commitments Framework

Commitment Details

Greggs commit to include and add veg & salad where appropriate into the range.

- Greggs Soups will provide at least one portion of veg.
- Greggs Veg or leaf based salads will provide at least one portion of veg.
- Half of Greggs Freshly made sandwich range will contain half a portion of salad.

Greggs aim to grow the total tonnage of Veg and salad purchased to manufacture Greggs products each year v 2019 base of 6,790k tonnes.

Greggs Vegetarian & Vegan strategic plan is to offer a plant protein alternative in all key categories and day parts.

Monitoring

Greggs will monitor and report Total tonnage of Veg & Salad used to manufacture Greggs products 2022/2023/2024 v Total tonnage in 2019.

Reporting periods TBC.

As part of our commitment to Plating Up Progress we will look to improve our rating across key elements of the Plating up Progress scorecard.
