

Social Farms and Gardens 2021 Pledge

This is a Wales wide pledge

This commitment will be implemented by 2023

1

Charities, community-based organisations, individuals, schools and nurseries commit to help and inspire children and adults to eat more veg.

This aligns with point 10 on the Commitments

Commitment Details

We will support increased sales of fresh, local, healthy and nutritious veg through the development and support to new food hubs across Wales.

Monitoring

We will support increased sales of fresh, local, healthy and nutritious veg through the development and support to new food hubs across Wales.

Social Farms and Gardens 2021 Pledge

This is a Wales wide pledge

This commitment will be implemented by 2023

1

Charities, community-based organisations, individuals, schools and nurseries commit to help and inspire children and adults to eat more veg.

This aligns with point 10 on the Commitments

Commitment Details

We will support the development and creation of new allotments across Wales, helping people to grow more of their own fresh produce

Monitoring

We will keep records of number of new allotment plots created, number of plots brought back in to use etc.
