

18th November 2021

We are seeking consultancy support from a FUNDRAISING EXPERT who could help us to:

1. Develop proposals to secure new funding for our work with young people campaigning for food systems change
2. Identify and connect with potential funders interested in funding work in the UK and internationally
3. Advise on fundraising and partner strategy

We will provide specific terms of reference for specific pieces of work.

We're a dynamic, UK based charity with a mission to change food policy and business practice to ensure everyone, across the UK nations, can afford and access a healthy and sustainable diet.

We would love to hear from you if you think you can help us.

Please send your CV to <mailto:office@foodfoundation.org.uk> with subject: Fundraising consultant, with an indication of your day rate.
